REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Upon further review the examiner feels that a modification of the Alaze et al. patent with the WO '282 publication and Buschmann et al. patents would not be proper as per applicant's remarks. Namely that Alaze et al. uses a prestressed compression spring at 64 and the relief pressure is determined by the spring constant of the spring.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher P. Schwartz whose telephone number is 571-272-7123. The examiner can normally be reached on M-F 10:30-7:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rob Siconolfi can be reached on 571-272-7124. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
